PEGAS NONWOVENS awarded the prestigious "Business Partner of the Year" award by Procter & Gamble

LUXEMBOURG/ZNOJMO, 18 October 2016 – PEGAS NONWOVENS (hereinafter "PEGAS" or "Company") was awarded the "Business Partner of the Year" award by Procter & Gamble Co. (NYSE: PG), the largest producer and seller of consumer goods in the world.

PEGAS has now received this award for the fourth time, last time for the year 2014, whilst the award is given out once every two years. This year, 12 awards were handed out to the best suppliers out of a total of 50,000 from all around the world.

"The Business Partner of the Year award is awarded by Procter & Gamble to only a very narrow circle of suppliers and only to partners who deliver consistent, outstanding performance over the long term. Therefore, we consider this to be an extremely important acknowledgement for our good work, and it is something which we sincerely value. I would also like to affirm that we shall continue working on providing our customers with services and products at the highest possible level and thus remain a trustworthy and reliable business partner for them," said František Řezáč CEO of PEGAS NONWOVENS s.r.o. and member of the PEGAS NONWOVENS S.A. Board of Directors.
